

STATEMENT OF PEACE

I will only pursue peaceful solutions to the violence of abortion when volunteering with the *40 Days for Life* Campaign.

I will show compassion and reflect Christ's love to all abortion facility employees and customers.

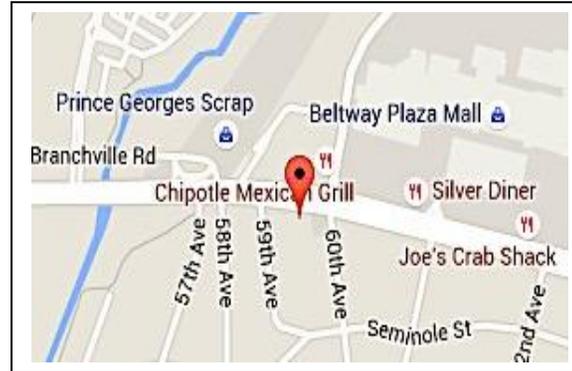

I understand that acting in a violent or harmful manner immediately and completely disassociates me from the *40 Days for Life* Campaign.

I am in no way associated with Metropolitan Family Planning Institute (MFPI), or Planned Parenthood, its affiliates, or any abortion provider.

While standing in the public right-of-way in front of the abortion facility, I will:

- not obstruct the facility's driveway or sidewalk;
- not litter on the public right-of-way;
- closely attend to any children I bring to the prayer vigil;
- not threaten, physically contact, or verbally abuse abortion facility employees, volunteers, or customers;
- not damage or litter on private property; and
- cooperate with local authorities.

VIGIL LOCATION

Metropolitan Family Planning Clinic
5915 Greenbelt Road

Pray to End Abortion.

40 DAYS FOR LIFE

Welcome,

Thank you for coming to the sidewalks to pray during the College Park **40 Days for Life** Campaign. You will find that God will reward your faithfulness as you respond to His command in Proverbs 31:8 –

Open your mouth for the speechless, in the cause of all who are appointed to die.

College Park has been participating in the **40 days for Life** since 2009. Each campaign, there are several women who change their mind and save the life of their preborn baby. Be assured that God uses your prayers and presence to bring goodness and blessings into the lives of preborn babies, mothers, fathers, and even the abortion workers and volunteers.

Lives are saved and changed because people show up to pray, fast, and share the Love of Christ with others. Above all, God's Name is glorified when His people defend the most innocent of His creations. Every life is precious.

Your obedience is what delights God. Thank you again for defending life. By praying to end abortion at this facility, we stand united as the body of Christ to honor life and our Creator.

WHAT TO DO

Our main goal is to bring a peaceful, prayerful witness to those working at or using the services of this abortion facility. **40 Days for Life** has been a wonderful model in many communities, with thousands of babies saved and many abortion facilities shut down. It is our hope and prayer for this to happen in College Park as well.

WHAT TO DO IF ASKED A QUESTION

If you are approached by a woman in need, you can refer her to the Laurel Pregnancy Center, on 301-776-9996, at 415 Main Street, Laurel, MD, 20707.

If approached or asked a question by a member of the public or someone from the abortion facility, answer simply and honestly:

“We are here to peacefully pray for the end of abortion.”

If you feel comfortable, you may explain further what the vigil is about, or how our prayers can have an impact on bringing our community to a deeper respect for life.

Remember that you also can politely decline to counsel others, speak to the media, or say anything beyond your comfort zone.

The effectual fervent prayer of a righteous man avails much.

PRAYER GUIDES

God's Word tells us how He feels about abortion. We don't need to convince Him to act. He is always true to His Word. Just praise Him for what He is doing! He is worthy to be praised!

We stand from a point of victory. The battle over Satan has been won by Jesus Christ! We know the Victor! Let us take our God-given authority and proclaim that evil shall not prosper at this abortion facility.

Let us pray that the hearts of abortion workers, abortionists, mothers, fathers, relatives, friends, and all supporters of abortion be open to the Holy Spirit of God.

Let us pray that our nation repents and returns to honor God's commandments about life. Let us pray that the lives of the youngest, the oldest, the disabled, the wanted, and the unwanted be respected and that God's purposes be fulfilled in them. And let us pray that the churches of our nation will rise up and show commitment and leadership in defending life.

Pray in faith, knowing that God hears and responds to the prayers of His people. Though we may not see the answers to our prayers, we know that God does not forget them and is using them for His Glory and for the good of those for whom we pray.
