

DIOCESE OF KANSAS CITY-ST. JOSEPH
RESPECT LIFE

To Our Faithful

We are truly blessed to have each spring and fall in our area a 40 Days for Life Campaign prayer vigil, sponsored by our local KC Coalition for Life organization. What a wonderful witness to our love of Christ and a most appropriate way to prepare for each Lenten and Advent season.

On behalf of the Respect Life Office of the Diocese of Kansas City – St. Joseph, I encourage everyone who is committed to defending the lives of our unborn brothers and sisters and to protecting the lives of their vulnerable mothers to contact 40daysforlifekc@gmail.com , or to visit www.kccoalitionforlife.com , to learn how you can actively participate in these wonderful events.

Lives, both known and unknown, are saved during these 40 Days for Life Campaign vigils but we must humbly also remember that this is not the sole purpose for our participation. Just as Mary, the Mother of Christ, and the faithful apostle John stood prayerfully at the foot of the cross, your faithful witness on the sidewalk may be the only act of love some of these children of God experience during their short lives here on earth.

In Christ,
