

40 DAYS FOR LIFE™
PRAYER REQUESTS

- **Pray for God's protection on all unborn babies** who are threatened by abortion.
- **Pray for all mothers** – that they recognize and love the children in their wombs from the moment of conception; that they'll have courage to face any challenges associated with their pregnancies; that they'll turn to God for help; that they'll overcome the temptation of abortion; that they'll receive the support that they need.
- **Pray for all fathers** – that they'll be committed to raising their children and to caring for the mothers of their children.
- **Pray for family members and friends of the mother** – that they'll support the choice for life.
- **Pray for all who facilitate abortions:** the clinic workers, abortionists, security guards – that they'll admit the error of their ways and seek (and find) other employment.
- **Pray for all who participate in abortion** – that they would repent, receive the forgiveness of Jesus Christ and come to know, love, worship, and follow Him.
- **Pray that more people will join the effort to stop abortions.**
- **Pray for our elected leaders to end abortion.**
- **Pray for all who faithfully and sacrificially offer alternatives to abortion.**
